### SCAM ALERT Think Before You Donate

To make your donation count and avoid a scam, do your research and be diligent.

- Research the charity with the word “complaint” or “scam” and look at their website to make sure it is legitimate.
- Use one of these websites to research the charity: [BBB Wise Giving Alliance](#), [Charity Navigator](#), [CharityWatch](#)
- Do not pay with wire transfers or gift cards - it is safest to pay with a credit card. If they only accept cryptocurrency, it is most likely a scam.
- Be cautious when donating on social media. First, check with your friend to verify they actually posted it. Next, check the link; if it goes to a crowdfunding site, make sure to verify that that person will give the money to the cause.

## Employee Highlight: See it, Say it Make a Difference Program

We strive to empower our team members to make a positive difference with our “See it, Say it, Make a Difference” program. Team members recognize their peers for their day to day acts of team work and going above and beyond their regular duties.

After each quarter, we recognize one team member who has made a positive difference in the workplace. At the end of the year, the four team members choose a charity to “give back” to in the form of a donation.

### The 2022 1st Quarter Winner is:

#### Casey Dehn

Member Service Representative. Casey has been with us since December of 2021.
